Dear Mrs Storey

Re: Hazelwood Neighbourhood Plan 5 year Review: Pre-Submission Consultation

Thank you for your notification received on the 23rd October 2022 in respect of the above consultation.

The Coal Authority is a non-departmental public body sponsored by the Department of Business, Energy & Industrial Strategy. As a statutory consultee, The Coal Authority has a duty to respond to planning applications and development plans in order to protect the public and the environment in mining areas.

Our records do not indicate the presence of any recorded coal mining features at surface or shallow depth in the identified Neighbourhood Plan area. On this basis the Planning team at the Coal Authority has no specific comments to make on the modifications to the Neighbourhood Plan proposed.

Yours sincerely

Melanie Lindsley
